Hi Adrian,

Before I was out, I talked to Cami Grandinetti and sent you some information about the 3 topics that you and I had discussed (way below). I'll resend you that email to see if it covers the topics or if we should still have a call.

With my regards,

Cindy

Thanks Adrian. Cindy will be back next week as well. We'll be back in touch next week.
Take care.

Totally fine to wait. I'm looping my colleague Peter to help schedule.

Hi Adrian:

Sorry for the delayed response back. Cindy is out and I am just back from the long weekend myself.

Cami G. is out until at least next week (b) (6) She's the person we want to have you talk with if at all possible.

Do you mind waiting until she returns for your conversation?

Let me know.

Thanks!

Marianne

Hi Cindy,

Sorry to not respond sooner—I was completely swamped last week with an appropriations markup.

Hopeful we can still set up a call sometime this week or next.

Let me know what times might work.

Hello Adrian,

It was nice talking to you this afternoon about the Portland Harbor Proposed Plan schedule. I'd like to follow up by including Cami Grandinetti in a call about the other things that you brought up: use of operable units; state concurrence; and purpose and effect of resampling. Would you be available for a 15-minute call tomorrow (Tuesday) at 11:00 am EDT/8:00 am PDT, or between 1:30 and 2:15 pm EDT/10:30 and 11:15 am PDT?

With my regards,

Cindy
